

Recover the Planet Earth Climate by water!
Civic Protocol „A New Initiative for the Recovery of the Climate“

Košice, 10th November 2009

Dear Sir/Madam,

In this time when the world meticulously looks for possibilities of climate change mitigation and adaptation to it, we would like to invite you to the **Conference „ A New Initiative for the Recovery of the Climate“**.

The conference will be held **on 26th November 2009 (Thursday) in Conference Centre TeleDom, Timonova Str.27, Kosice, Slovakia (www.teledom.sk)**. A civic protocol shall be presented within the conference. The protocol is aimed at support of overlooked climate functions of water and vegetation as well as their utilization by citizens, NGO-s, local administrations, entrepreneurs, research and other institutions.

The conference is organized by NGO People and Water (Slovakia), ENKI o.p.s. (Czech Republic) and WATERGY (Germany), in partnership with Economic Club – Informal Economic Forum, NOVITECH a.s., Association of Municipalities in Slovakia, Communal Research and Advisory Centre and it is sponsored by the Foundation for Support of Civic Activities, Dexia Bank, MUNICIPALIA, HYDROFIN, KPMG, Západoslovenská energetika and EKOSUR Ltd.

We extend our warm welcome. Please, find attached a draft program. In case of your interest to participate, please, be so kind and send us the attached return form by 23rd November 2009.

Sincerely,

Michal Kravčík,

Chairman of the NGO People and Water

(on behalf of the organizers)
